

Family Nature Explorations

WINTER 2023

Looking for something new this winter?

Get out of the cold and into the fun!

Grab your friends and family to join us as we explore nature topics in our Laws of Nature Museum.

Each 90 minute private time slot includes:

- 30 minutes of guided exploration (story time, a craft, and a discussion of a nature topic) lead by one of our Environmental Education Instructors
- 60 minutes of free play in our child friendly space

Registration is required:

Email kadams@kendallcountyil.gov or call 630.553.2292 to register
