1. Party Details:

- Birthday Parties are held at Hoover Forest Preserve or Harris Forest Preserve; determined by our staff – based on party theme and pavilion availability.
- Birthday Parties are 2 hours long. The first hour of the party is led by our Environmental Education Staff. The second hour is for parent led activities, food, games, etc.
- You can arrive 30 minutes prior to the start of your party time to set up. Temporary/easily removable decorations are allowed (no nailing or screwing decorations into the pavilion/ceiling, no confetti, no chalk)
- If you have a Noon-2:00pm Saturday party, you will need to remove your belongings and vacate the pavilion 30 minutes after the end of your party – to make room for a second party scheduled that same day.
- Our birthday parties are geared for children 3-12 years of age. We can adapt our party themes to fit the age of the children attending (usually the age of the birthday child).
- You provide your own food/beverages/paper goods and decorations.
- Kendall County Forest Preserve District Staff will take care of cleaning the party area once the party has ended.

2. Additional Details:

- A \$50 deposit and signed invoice is due at the time of registration. **The deposit will be retained if party is cancelled less than two weeks prior to the party date.** The remainder of the payment is due **1 week prior** to the date of the birthday party.
- An Environmental Educator will confirm your guest count and review details of the party and answer any questions you may have about a week before the party.
- The party will be cancelled when there are thunderstorms or severe weather warnings. The District will conduct a party if there is rain. Please come prepared with appropriate weather-related clothing (i.e., ponchos, rain gear, etc.). If the Forest Preserve cancels a party, we will make every effort to re-schedule. If there is not a date that will work for both parties, a full refund will be given.
